Dear

STAT

While words seem inadequate at this time, I do want to extend to you my deepest sympathy in the loss of your wife. I hope you will derive some comfort in knowing that even though she was with the Agency for a relatively short period of time, the friends and colleagues who came to know her through that association will long remember her with affection. If we may be of any service to you, please feel free to let me know.

Sincerely,

/s/ William J. Casey
